**DIAMOND
PERIODONTICS**
IMPLANT DENTISTRY

Andrew B. Diamond, DMD, MS
Diplomate of the American Board of Periodontology

Our office is conveniently located in Willow Grove, PA with easy access from Routes 611, 63 and the Pennsylvania Turnpike

About the Office

We are a modern, fully digital surgical center utilizing the most advanced technology and providing cutting edge therapies for the treatment of Periodontal Disease and the placement of Dental Implants. At Diamond Periodontics and Dental Implants, our philosophy of the team approach ensures that each and every patient gets the very best in comprehensive care, as we work seamlessly with all of your dental healthcare professionals to optimize your treatment outcomes and your overall dental experience. Our center specializes in the treatment of Periodontal Disease and other oral conditions affecting the health of your mouth, as well as the surgical placement of Dental Implants. We are specialists in saving natural teeth, and when they cannot be saved, replacing missing teeth with Dental Implants, as well as reconstructing lost gum, and/or bone for optimal dental aesthetics, function, and health. Dr. Diamond is a plastic surgeon of the mouth. We use advanced technology and techniques that both minimize discomfort while maximizing results. You will find our team exceptionally kind and gentle mannered, dedicated to all of your needs from your first visit to your last. We look forward to welcoming you to our office with a big warm smile!

Dr. Andrew Diamond is a Board-Certified Periodontist and Dental Implant surgeon. He received his Doctor of Dental Medicine degree from the University of Pittsburgh, as well as a Certificate in Periodontics from the University of Maryland, Baltimore. In addition, he holds a Master of Science degree in Oral Biology from the University of Maryland, Baltimore. Dr. Diamond has trained with both nationally and internationally recognized clinicians and is a highly accomplished surgeon performing the latest and most advanced surgical techniques for treating Periodontal Disease and the placement of Dental Implants. He received the Quintessence award for excellence in Periodontics through Quintessence Magazine in 2002, and he has been selected by his peers as a Philadelphia Magazine Top Dentist since 2014. Dr. Diamond was also selected by his patients and the community as the winner of "The Best Of" Montgomery County in 2023 and 2024. He has lectured on diverse topics including Dental Implants and Aesthetic Gingival Grafting. Dr. Diamond is a member of both the American Academy of Periodontology and the American Board of Periodontology.
